he worst ills of life. The man or woman who is subject to headache at irregular ntervals, goes through life bearing a load of misery and wretchedness that is Government Without a Remedy terrible to think of.

Headaches as a rule, result from a disordered condition of the nervous system Mental excitement, loss of sleep, bodily fatigue, and disordered digestion are exciting causes. When the brain becomes tired and debilitated, the whole nervous system is weakened, and headaches resuit. If the liver is sluggish, the kidneys inactive, and digestion deranged, headsches invariably follow. To cure and prevent headache, the nervous system oust be strengthened and vitalized. The most persistent cases of headache, neryous feebleness and sleeplessness are permanently cured by Paine's Celery Compound; it is the greatest reconstructant of the nervous system. Mrs. Henry Westrick, St. Clair, Mich., tells of her release from suffering as follows:-

"I have been troubled with dyspepsia and sick headache for a number of years. About every week I would have a bad bank in which he (the governor) was a spell of sick headache, but since I began using Paine's Celery Compound, my dyspepsia is gone, and I do not have any more headaches.
